

Cheat Sheet

5 Best Apps for Female Entrepreneurs

SHAPR

Has a free version

One of our top picks for networking is App Shapr. It lets you swipe on people you would like to connect with, just make sure to set up a professional profile first!

HURDLR

Has a free version, and a Premium for \$5/month, only available in App Store

Need an App for automatic invoice, expense, tax deduction tracking and more? Then check out Hurdlr!

PREVIEW

Has a free version and a Pro for \$7/month

Struggling with your instagram feed? Then look no further than Preview. This App lets you perfectly plan your feed and schedule in your content at the touch of your fingertips.

ASANA

Has a free version and a Premium for \$11/month, only available in App Store

Hands-down the best App for Project Management and Teamwork. At Doors Open we love to use this App to keep track of all our To Do's!

HUBSPOT

Has a free version and a Starter for \$36/month

Want to manage your leads and marketing? This is our favourite CRM at Doors Open! The free version has amazing features from marketing, sales, lead generation, email tracking and more.
